

Costs	
Basic fee per month	33.00 CHF including VAT
Minimum subscription period	24 months

(National) Mobile internet in Switzerland	
Data volume incl.	<b>22 GB</b> Any additional data usage will be charged at the standard rate if the corresponding mobile subscription does not contain any incl. units or if these have been used up and if an additional option has not been activated.
Standard rates	Prices for data usage in Switzerland <a href="http://www.mtel.ch/de/standardtarife-daten">www.mtel.ch/de/standardtarife-daten</a>
Maximum speed	4G network (high speed) 2 Gbit/s (download) and 300 Mbit/s (upload) 3G network (high speed) 2 Gbit/s (download) and 300 Mbit/s (upload)
Note	The transmission speeds are the best possible performance and cannot be guaranteed. The actual internet speed depends on factors such as topography, network coverage, distance to transmitter mast, signal strength inside/outside buildings or other factors and may be lower than the stated maximum internet speed.

(National) Telephony & text messages in Switzerland	
<b>Calls to MTEL Mobile, to other Swiss mobile networks, to all Swiss landlines and Text messages to all Swiss networks</b>	Unlimited units which can be used as minutes or text messages, excluding calls and text messages to special numbers (e.g. 084x, 090x, 18xx), short numbers and to value-added services. In addition, the units apply to calls to the MTEL zone: Serbia (mts), Montenegro (m:tel Crna Gora), Bosnia and Herzegovina (m:tel Banja Luka) and Austria (m:tel Austria).
Received calls	Free of charge
Special and short numbers	Calls to special and short numbers are charged at special rates. Valid price list for special and short numbers <a href="http://www.mtel.ch/de/spezial-und-kurznummern">www.mtel.ch/de/spezial-und-kurznummern</a> 084x (0840, 0842, 0844, 0848): Shared-cost numbers uniform rate, irrespective of the location within Switzerland from which the call is made, but not exceeding 7 centimes per minute (+VAT, maximum price of a national call to a landline). Final amount per call is rounded to 10 centimes.
Blocking premium rate numbers	Premium value-added service numbers 090xer and 0906 numbers can be barred on request.
Freephone numbers	Calls to these 0800 numbers are free of charge.
Call forwarding	Call forwarding to the MTEL voice mailbox is free of charge. Otherwise, you will be charged the connection fee that would apply if you were calling the forwarding destination from your own line.
Listening to voicemails	Free of charge
Storing voicemails	8 days
Billing rate for telephony	Minute rate. Each fractioned minute is charged as a full minute.
Connection setup fee	None

(International) Outgoing calls & text messages abroad	
Country list MTEL ZONE	<b>Wherever MTEL ZONE is mentioned, it refers to this country list with the networks listed here</b> Serbia(mts), Montenegro (m:tel Crna Gora), Bosnia and Herzegovina (m:tel Banja Luka), Austria (m:tel Austria).
Country list Europe	<b>Wherever EUROPA is mentioned, it refers to this country list</b> Iceland, Liechtenstein, Andorra, Faroe Islands, Slovakia, Hungary, Germany, Finland, Portugal, Sweden, Bulgaria, Luxembourg, Malta, Italy, Belgium, Slovenia, Norway, Martinique, Netherlands, Spain, United Kingdom, Croatia, Cyprus, Lithuania, San Marino, Ireland, Latvia, France, Reunion, Poland, Gibraltar, Greece, Romania, Denmark, Estonia, Vatican, Czech Republic,

#### (Roaming) Remaining telephony and mobile Internet abroad

<b>Country list region Zone 3</b>	Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Moldova, Tajikistan, Tanzania, Ukraine, Uzbekistan,
<b>Country list region Zone 4</b>	Canada, Puerto Rico, USA
<b>List of countries region Zone 5</b>	All other countries and zones not listed incl. satellite
<b>Activation and deactivation of roaming at the standard rate</b>	Data roaming at the standard rate (billing according to MB used) is deactivated by default when abroad and can be activated in MY MTEL Selfcare.  Telephony and text message roaming is activated by default when abroad.
<b>MY MTEL Selfcare</b>	The MY MTEL Selfcare worldwide free access accessible at <a href="http://www.mtel.ch/de/mymtel">www.mtel.ch/de/mymtel</a> The Selfcare offers the following functions: Roaming settings Switch answering machine mailbox on or off when abroad Allow or prohibit calls, text message and data connections on ships and in aircraft Activate, deactivate roaming at the standard rate Switch roaming info text message reception on or off  Cost protection limit for data roaming Information about installed data packages Information about used data credits Purchasing attractive roaming options Standard roaming rates
<b>Standard roaming rates</b>	<b>To reduce costs, your MTEL Team recommends activating roaming data packages.</b> The usage-dependent prices depend on which country you are in (region 1-3). You will be charged according to the MB used. If no credit or data package is included in the corresponding subscription or if it is used up, the following services will be charged at the standard roaming rate: - Outgoing and incoming calls - Outgoing text message - Mobile internet or data traffic More details on the roaming price list <a href="http://www.mtel.ch/de/roaming">www.mtel.ch/de/roaming</a>
<b>Hierarchy Roaming- incl. units and options</b>	If several roaming credits or roaming options are available during a stay abroad, they will be used up and charged in the following order:  Data Plus S/XL or Data Roaming S/XL if activated. Roaming credit included in the mobile subscription Standard roaming rates with billing according to MG used – if activated.
<b>Billing rate for telephony</b>	Accurate to the second and rounded to the nearest 10 Rp per call. Exception: Outgoing calls are billed per call at least at the cost corresponding to a call of 30 seconds.
<b>Cycle billing data</b>	Accurate to the kilobyte and rounded to the nearest 10 Rp per session.
<b>Connection setup fee</b>	None

<b>Special and short numbers</b>	Calls abroad to country-specific special and short numbers including value-added services may be charged at a higher rate. Such calls are not included in any inclusive call credits that may be available.
<b>Freephone numbers</b>	Calls made in the country of residence to "freephone numbers" in the country of residence or in another country are charged at a higher rate like special numbers and are not included in any inclusive call credits.
<b>Satellite roaming</b>	Roaming via satellite connections, such as in aeroplanes and cruise ships, is blocked.
<b>Call forwarding</b>	In the case of call forwarding from abroad (such as to the fixed network connection in Switzerland), both the incoming call and the forwarded outgoing call are charged at the standard roaming rate.
<b>Forwarding to voice mailbox</b>	Free, deactivate mailbox #145# Activate mailbox: *145#
<b>Listening to Voice messages</b>	Calls from abroad to the voice mailbox to listen to voice messages are charged at the standard roaming rate.
<b>Roaming cost control</b>	<p>Whenever you are abroad, you are automatically informed of the applicable roaming rate by text message. Receipt of the roaming info text message can be switched on/off in MY MTEL Selfcare.</p> <p>A monthly cost limit of CHF 100 is enabled by default. The limit can be changed or switched off in MY MTEL Selfcare. When the cost limit is reached, data traffic is blocked until the end of the month.</p> <p>The roaming cost limit includes the roaming data costs incurred in a calendar month without the charges for roaming options or roaming data packages.</p> <p>The roaming cost limit includes the roaming data costs incurred in a calendar month. Under certain circumstances and depending on the country in which the data traffic takes place, there may be a delay between the generated roaming volume and the blocking of the data traffic.</p>
